Recommendation letter for Mohammed Rishad Vallakkatt Kadungath

Dear colleague -

I hope this finds you well.

I'm writing to you to **strongly endorse Mohammed Rishad Vallakkatt Kadungath** for a technical role in your company.

We are a social venture that supports young aspiring talents from non European countries in finding a challenging new job in Germany. We run a selective 4 week digital boot camp for full stack developers, data scientists/engineers and software automation testers. Over the course of the program, we identify candidates whose talent, passion and work ethic significantly stand out from their peers.

Mohammed Rishad Vallakkatt Kadungath is an outstanding Full stack engineer who ranks in the top 10% of our peer group.

English communication	**Strong** – validated in multiple rounds of 1:1 interviews
Technical skills	**High & up to date** – on par with candidates in Germany
Unique qualities	**Academic excellence (top 10% of class)**
EU 'Blue Card' eligibility	**Yes** – Mohammed Rishad is prepared to arrange their own work visa
Maturity	**Mid-Level** – 4 years of work experience

Please feel free to reach out to me personally at johann@joinimagine.org in case of any question.

Warm regards & herzliche Grüße -

Dr. Johann Daniel Harnoss
Founder & CEO
